We've Only Just Begun

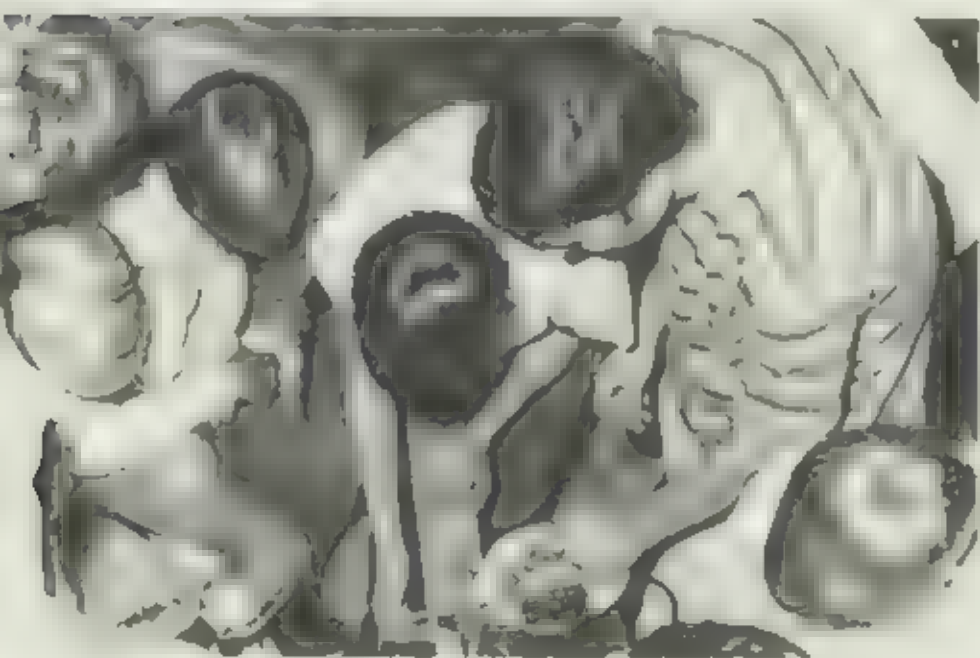

Our shadows cannot tell us
How far the future lies —
Given one moment to prepare,
We turn to find
A sunset waking up.

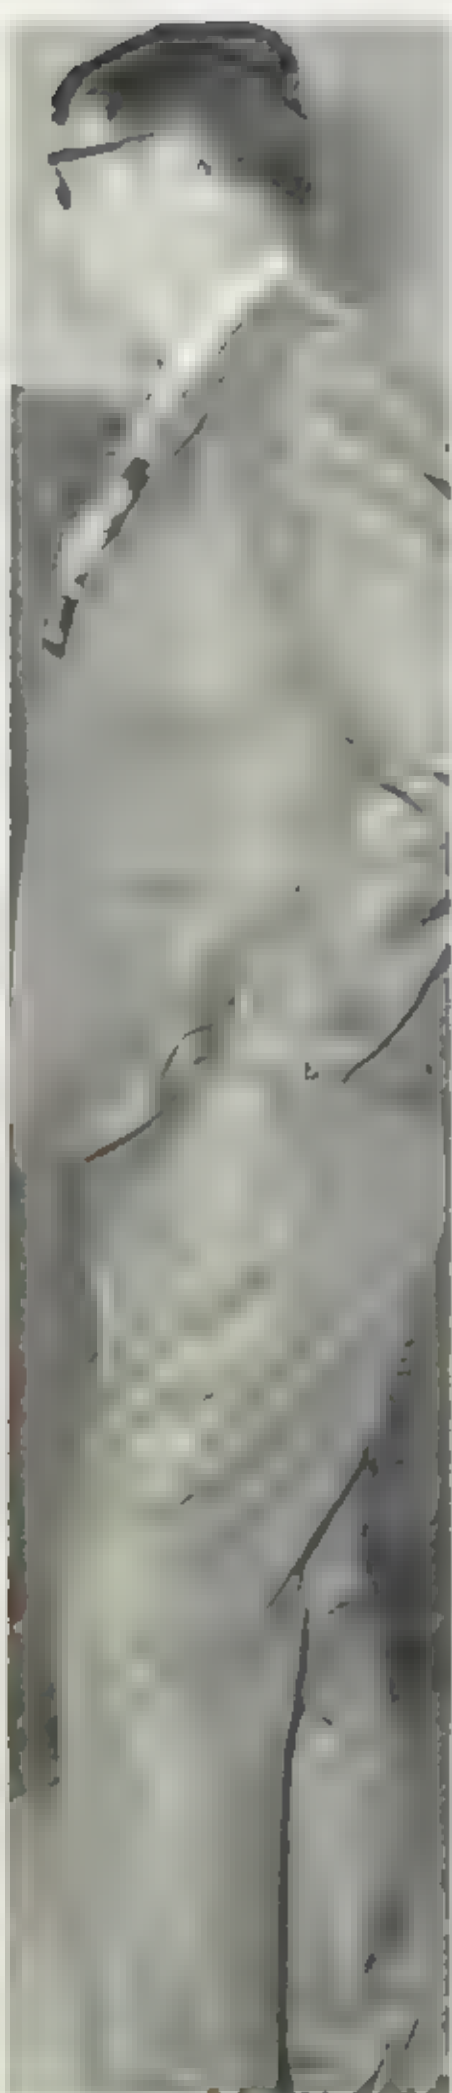

So Many Roads to Choose

Life charts innumerable roads
And asks only
That we choose
A well-paved street —
A just-discernable path —
An angle on the right —
A curve clamoring for balance.

We Start Out Walking

Never minding the steep hills,
The needles in our path —
And if we come to a lonely house
With windows battered shut,
We never falter —
Knowing
That time will open the door.

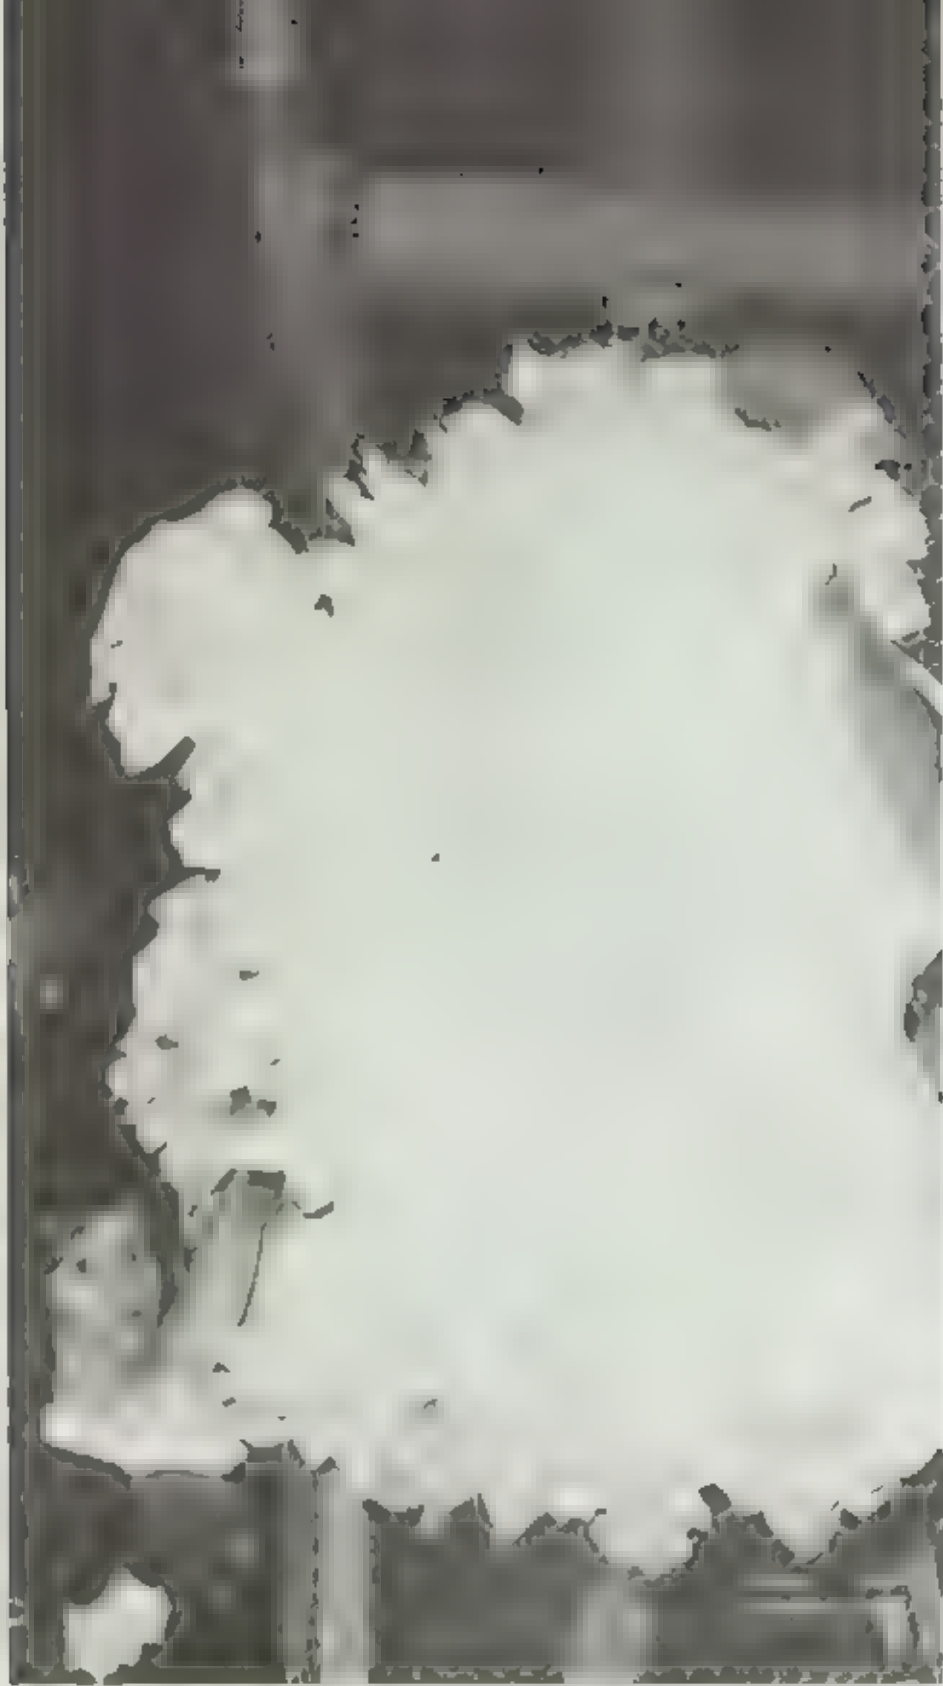

And Learn to Run

The times our timied feet staggered,
The times our uncertain grasp loosened,
Our breath came hard and fast —
Only the race dare tell.

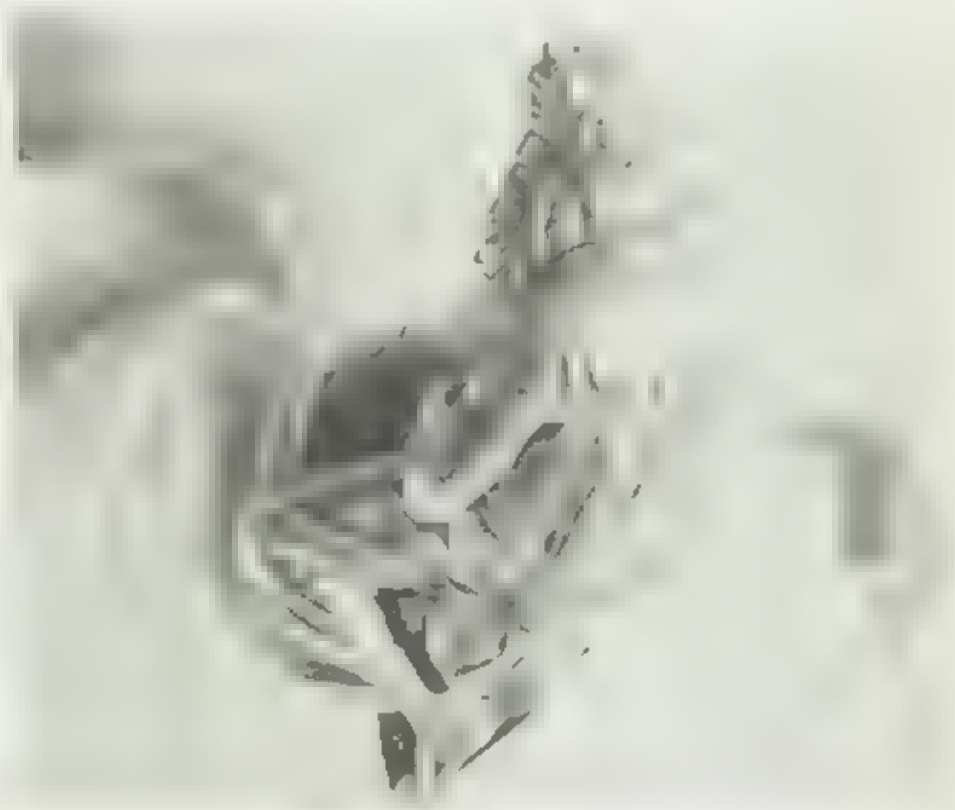

Sharing Horizons That Are New to Us

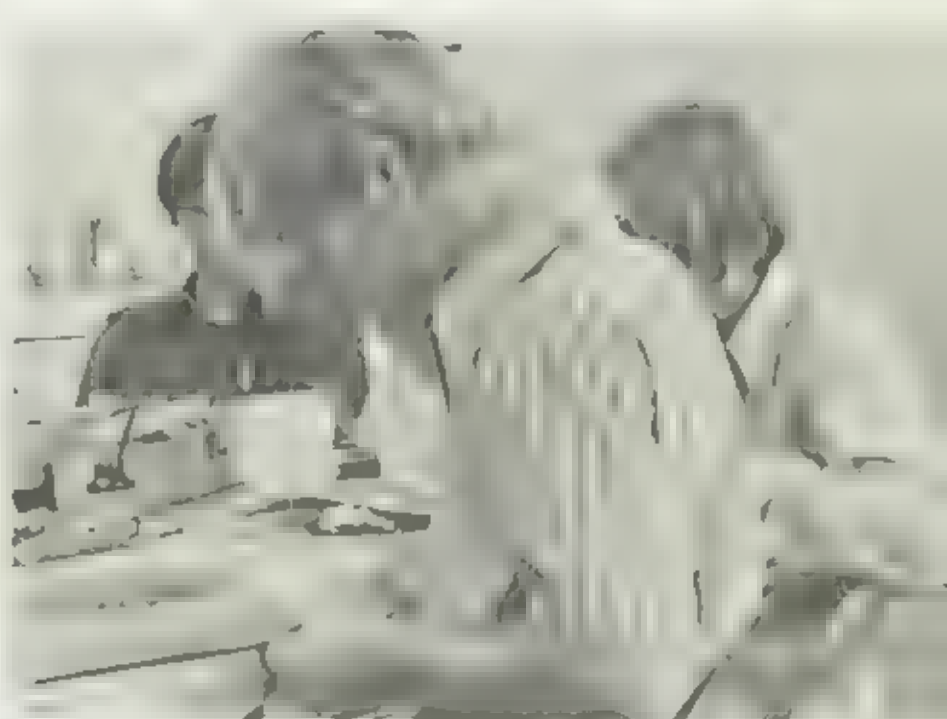

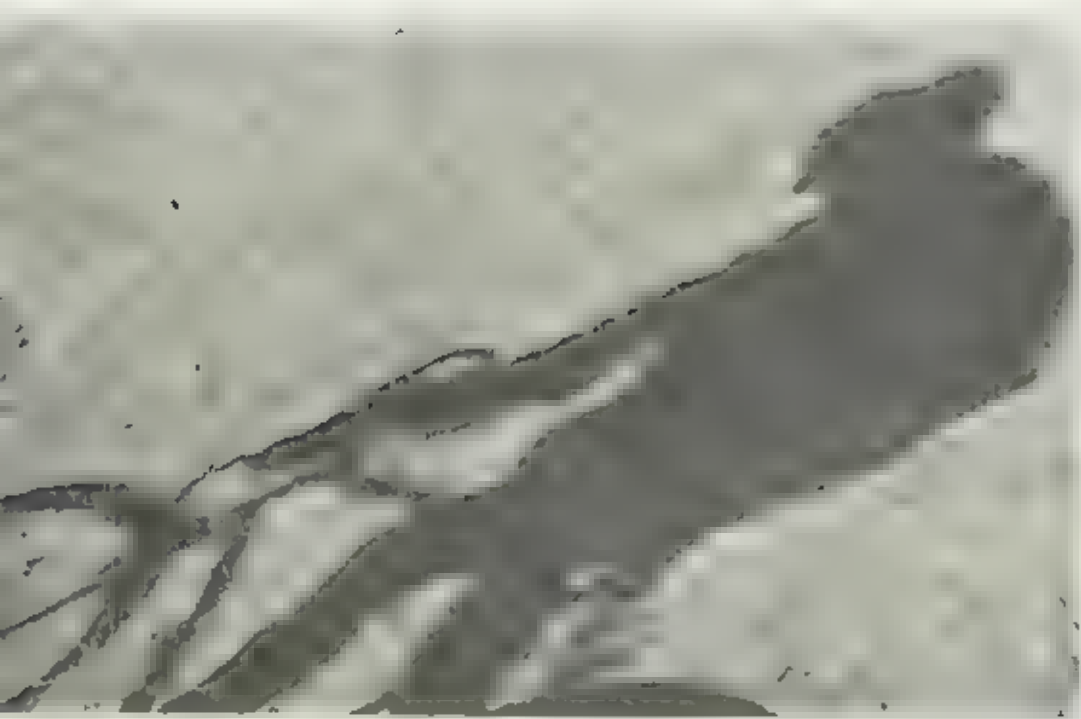

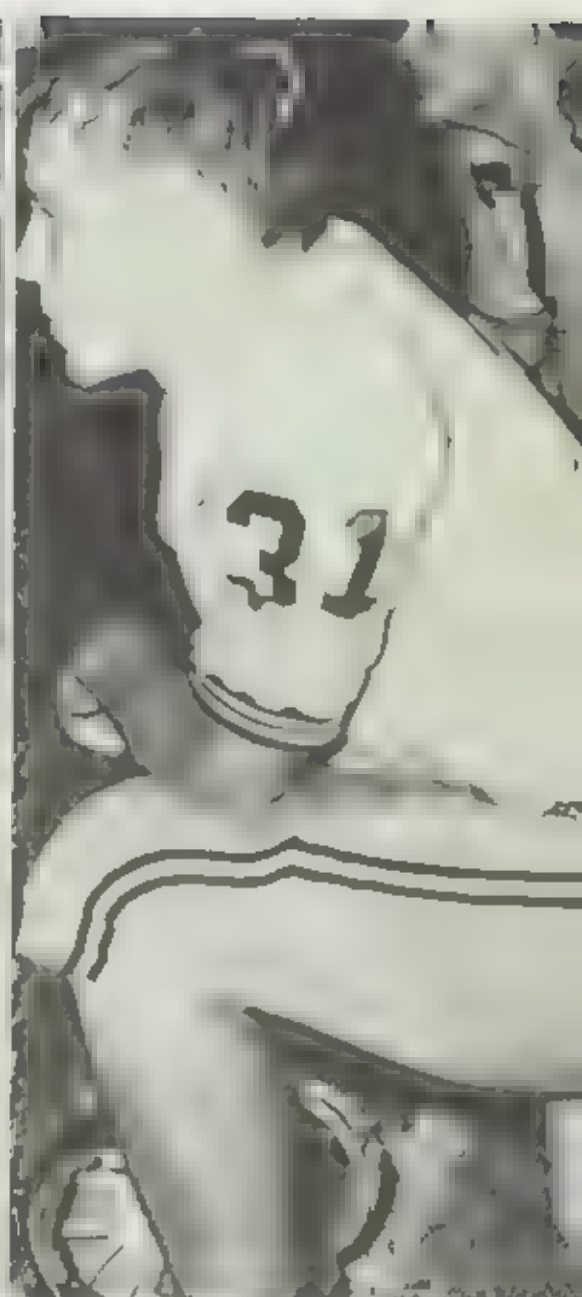

Not by chance the shackled intellect
Calls another being —
A hand, a word, an understanding —
An unseen difference.
Not by accident
The horizon
Is an elusive thing.

Watching the Signs Along the Way

Petals, silently unfolding,
Tongue the coming spring,
And dropping leaves whisper
Autumn coolness —
Yet the constant eye upon the present
Cannot halt the unfolding future.

Guidance: Storehouse of Information

The sometimes tedious task of the **Guidance Department** is to help a student to make the most of his high school education and to aid him in preparing for college. Two important tools of the guidance counselors are the various IQ and aptitude tests which enable a student to select appropriate courses. Our guidance office is a storehouse of information on colleges and careers for the student who is not quite certain of his plans for the future. **Mrs. Ida Reed, Miss Kathryn Douciere, and Mr. Larry Reeves** are always willing to assist each student with his problems, both personal and academic.

Mr. Reeves supervises the vision test being administered to Carol Smith.

The library is a necessary part of our educational program. Research is done for reports. Answers to a curious student's questions can be found. Hobbies and special interests can be pursued. Because of the large selection of books, a student is able to travel from one place to another, to step into the past or project into the future.

The English department strives to teach a student to use English correctly and, therefore, effectively in the communication of ideas. The study of grammar enables a student to relate his thoughts clearly and concisely and to interpret the meaning that an author attempts to convey. Literature reveals the development of man's thoughts throughout the ages. It is not only a means of understanding history and peoples of other ages, but also a challenge to each individual's thinking and to his understanding of the basic principles of human nature.

In what might be termed today's technological revolution, it is imperative that a person grasp the scientific principles in order to understand the world which is evolving around him. Neville's courses in general science, biology, chemistry, and physics offer a student a basic knowledge of these principles. Individual and creative thinking are encouraged through laboratories and experiments which teach a student to apply the scientific method of thinking to everyday situations. Through such exploration, science may very well become the key to many unknown realms of the future.

Social Studies: Basis for Good Citizens

In **Social Studies**, a student learns how men have carried on the basic human activities in various settings and at different times. With this insight, it is then easy for him to understand the forces that have shaped our modern society.

Courses in **American History**, **World History**, **civics**, **government**, and **geography** prepare students for **citizenship** and **responsibilities** as leaders of this country.

In an age when more and more people are striving to understand each other, the study of foreign language opens new roads to better international communication. By learning customs and ways of life practiced in other nations, a student is able to gain a spirit of broad human tolerance. Moreover, courses in foreign language not only enable a student to express his ideas in another language, but also increase his awareness of his own language

Business Education: Vocational Asset

To the student interested in an office career, Neville's business courses provide the skills and experience needed to enter the business world immediately upon graduation. Shorthand and typing are a tremendous asset for secretarial jobs as well as for notetaking in college. A student in clerical practice learns the use of business machines. Bookkeeping is as useful in managing one's own salary wisely as in excelling future business administration. Correct clerical practices learned often open the door to exciting business opportunities.

Music: Students in Harmony

The **band, orchestra, and chorus** are all vital factors in the school spirit as characteristic of **Neville**. Throughout the year, the **Tiger band** performed in various parades and concerts and at all pep assemblies and football games. The chorus continued to delight the student body with its annual **Christmas concert**. Several members of the orchestra represented **Neville** in the **All-State Orchestra**.

All of these courses provide a student with a better appreciation of music and the opportunity to develop his individual ability as well as to coordinate himself with others

Art: Expression of One's Inner Self

Art provides a student with the opportunity to express himself. His thoughts, ideas, and emotions can be transferred into something concrete — a painting or a handicraft. Much hidden talent is discovered in the art classes, usually to the student's surprise.

Industrial Arts: Building for the Future

FLOYD McCARTY, JR

LAWRENCE McGOUGH

Industrial Art classes instill a sense of student pride in craftsmanship by teaching one to work with his hands. A Woodworking student learns how to handle various tools and equipment and how to make items that fill a need or satisfy a creative desire. Mechanical drawing teaches a student the proper use of T-squares, protractors, triangles, and compasses. A future architect or engineer learns many valuable skills which prepares him for whatever challenges he may meet in the world of construction.

Speech: Valuable Oral Experience

Reading: Basic Tool of Education

Reading is a developmental course designed to form and strengthen those skills basic to reading and comprehension. It is a non-credit course and may be taken one or both semesters. Using such techniques and devices as tapes, reading laboratories, and programmed materials, the course allows each student to begin at his own level of reading and to progress at his own rate. Habits developed in this course not only increase a student's future reading enjoyment, but also his understanding in all subjects.

SENIORS

Mr. Neville High School

Jim Bluck

Selected by the senior class of '72, Jim has shown the outstanding qualities that a student should possess to attain the honor of Mr. Neville High School. Leadership, poise, and intelligence are but three of these qualities. He served as president of the Student Council and Speech Club. He was a member of the Interact Club and French Club.

Miss Neville High School

Excellence is the main criterion for selecting Who's Who: excellence in scholarship, attitude and cooperation. The faculty members in subject matter fields chose these outstanding students without their knowledge. Another of the Council's projects was an Open House for the 8th graders from Lee Junior High School to familiarize them with Neville's campus. Parish Boys Fall 6-0

Neville fullback Jerry Tucker stole the limelight, plunging for 21 yards on five straight carries for the game's only score to lead the Neville **Tigers** to a 6-0 win over Ouachita in the Lions' jamboree. The score was set after the Lions received the opening second-half kickoff and were pushed deep into their own territory and forced to punt. Neville started its scoring march from there. In the first half Ouachita managed two first downs with only 12 total yards. Neville could not get its attack rolling at all, advancing only 8 yards, but the Tiger Toe James LeBlanc had a 53-yard punt to show for the first half. Tucker was the game's leading rusher going for 35 stripes in eight carries, while Surratt had 26 of the **Tigers'** 74 yards total offense. Ouachita, meanwhile, had only 15 yards total offense.

The jayvee contest was nearly as devoid of offense as the varsity. The junior Lions and Tigers battled to a 0-0 tie.

Bengals Drop Season Opener 15-8

Interceptions and penalties proved Neville's downfall as the Tigers lost a 15-8 season opening game to Captain Shreve's Gators. The Gators had to come from behind to gain the victory, as speedy Bruce Hanks cradled the first punt of the game on his 28 and outran his pursuers 72-yards for a touchdown with only 1:39 elapsed in the contest. Quarterback Dennis Surratt nailed senior end Bobby Deal in the end zone for the two point conversion as Coach Brown's Brigade took an 8-0 lead. Later, with 3:06 left in the first period, Captain Shreve knotted the score which was set up by an intercepted pass. Due to another interception in the Neville end zone, the Gators started an eleven play scoring drive which pushed the score 15-8, Captain Shreve. Although Neville outgained the Gators in total offense — 182-170 yards, this could not pull it through for the Bengals. Neville was flagged for 11 penalties or 114 yards. There were also three interceptions out of seven attempted passes. Linebacker Bill Touchstone recovered a fumble and Pat Scallan intercepted a pass.

Tigers Scalp Fair Park 22-14

After gaining a 22-0 lead over the Fair Park Indians the Tigers held off a fourth quarter touchdown drive to defeat the Indians 22-14. The Tigers led 14-0 at the half as Tucker and Harvey both had touchdowns for Neville. Les Loper scored a two-point conversion on the first TD. Neville set sail in the third quarter as Surratt hit Larry Wallace at the one yard line from the 24. Mike Harvey got the call for the touchdown with Wallace receiving a pass for the two-points after. This wound up, Neville's scoring for the night, but not Fair Park's. The Indians fought back for two touchdowns, but the stubborn Bengal defense relented no more.

Neville Defense Ties 18-7 Triumph

Dennis Surratt's three touchdown passes and the mighty Tiger defense carried Neville to an 18-7 district win over West Monroe. The Bengals rolled up 384-yards, but execution cost them 110-yards in penalties and kept the contest close. Neville's defense, however, was adequate insurance as it thwarted the Rebels throughout the game holding West Monroe to four first downs, two by penalty and 50-yards total offense. Neville jumped out to a 12-0 lead as Surratt-to-Loper pass put the Tigers on the scoreboard. The Tigers finally managed to put its second touchdown on the board with only 16 seconds left in the first half. Surratt hit Loper for 18-yards, a few plays later Bob Brown caught one for 35-yards, and, finally, after an offside penalty, he hit Bobby Deal in the endzone. West Monroe got its only touchdown as a result of three simultaneous Neville infractions in the third quarter. The third Tiger touchdown was set by the powerful Bengal defense as they blocked a Rebel punt from the 23-yard line giving the Tigers excellent field position. A few plays later Surratt hit fullback Jerry Tucker to put the game on ice 18-8

Bears Surprise Cats 9-8

Overconfidence killed the cat as Neville dropped a heartbreaker to the Bolton Bears, 9-8 on a last second field goal. In the dark night of fumbles, interceptions, penalties and dropped passes, the only bright spot for Neville was halfback Britt Risinger. Risinger scored on a 24-yard run in the second period and had a second touchdown called back in the fourth. With the Tigers leading 8-6, Bolton recovered a Neville fumble at the Tiger 16. The Tiger defense held three plays, but with 10 seconds left, the Bears kicked a 30-yard field goal to crush the Tigers. The loss put Neville in a position of having to win all the remaining games on their schedule to win the district.

Neville Shocks Ruston 36-21

Behind a fantastic show of Tiger Spirit, Neville overcame a 14-point deficit to defeat the Ruston Bearcats. Two long touchdown passes shot Ruston into a fourteen point lead within three minutes after the opening whistle. The Neville fans would not let the flying Tigers be shot down, and the Bengals began to fight back. Quarterback Dennis Surratt hit end Robert Deal for one TD and ran for two more to give Neville a 29-14 halftime advantage. The proud Tiger defense not only thwarted the Bearcat attack, but picked up a score on a Les Loper interception return for six points. Ruston fought within 7 points after a blocked punt, but halfback Britt Risinger came back with a Tiger score, and when the last notes of Superstar played Neville had won 36-21.

Bengals Smash ASH 30-0

Neville did not horse around on their homecoming as they defeated the Alexandria Senior High Trojans 30-0. A punishing ground attack of short plunges matched with long gainers put Tiger scores on the board in every quarter. Neville's first score came on a 56-yard touchdown run by quarterback **Dennis Surratt**. Fullback **Jerry Tucker** picked up the Tigers' next two scores on touchdown sprints of 46 and 11 yards. Reserves took over in the fourth period as backup fullback **Tommy Aitken** got Neville's final score. As the Tiger offense was rolling, the Bengal defense was stopping the Trojans right and left. Alexandria was held to only 128 yards in their scoreless effort.

A swarm of **Yellow Jackets** buzzed in to tackle the **Tiger** ball carrier in the first playoff game

The blackclad **Tigers** outdrew the **Bastrop Rams** for the district 2-AAAA lead as **Neville** gained an impressive showdown victory 24-7. Quarterback **Dennis Surratt** led the **Tigers** the first half as he hit end **Robert Deal** for the first score and scampered 21 yards for the second six, giving **Neville** a 12-0 halftime lead. **Bastrop** scored in the third period and **Neville** held only a slim five point edge going into the fourth period of play. It was then the **Tigers** amassed a major part of their 384 yards of total offense as it was fullback **Jerry Tucker** over and over again behind the guard blocking of **Paul Riley**, **George Dixon** and **Tim Temple**. **Tucker** scored two fourth quarter TD's, vaulting **Neville** one step closer to the district championship

Neville Crushes Cross-Town Rival; 8-0

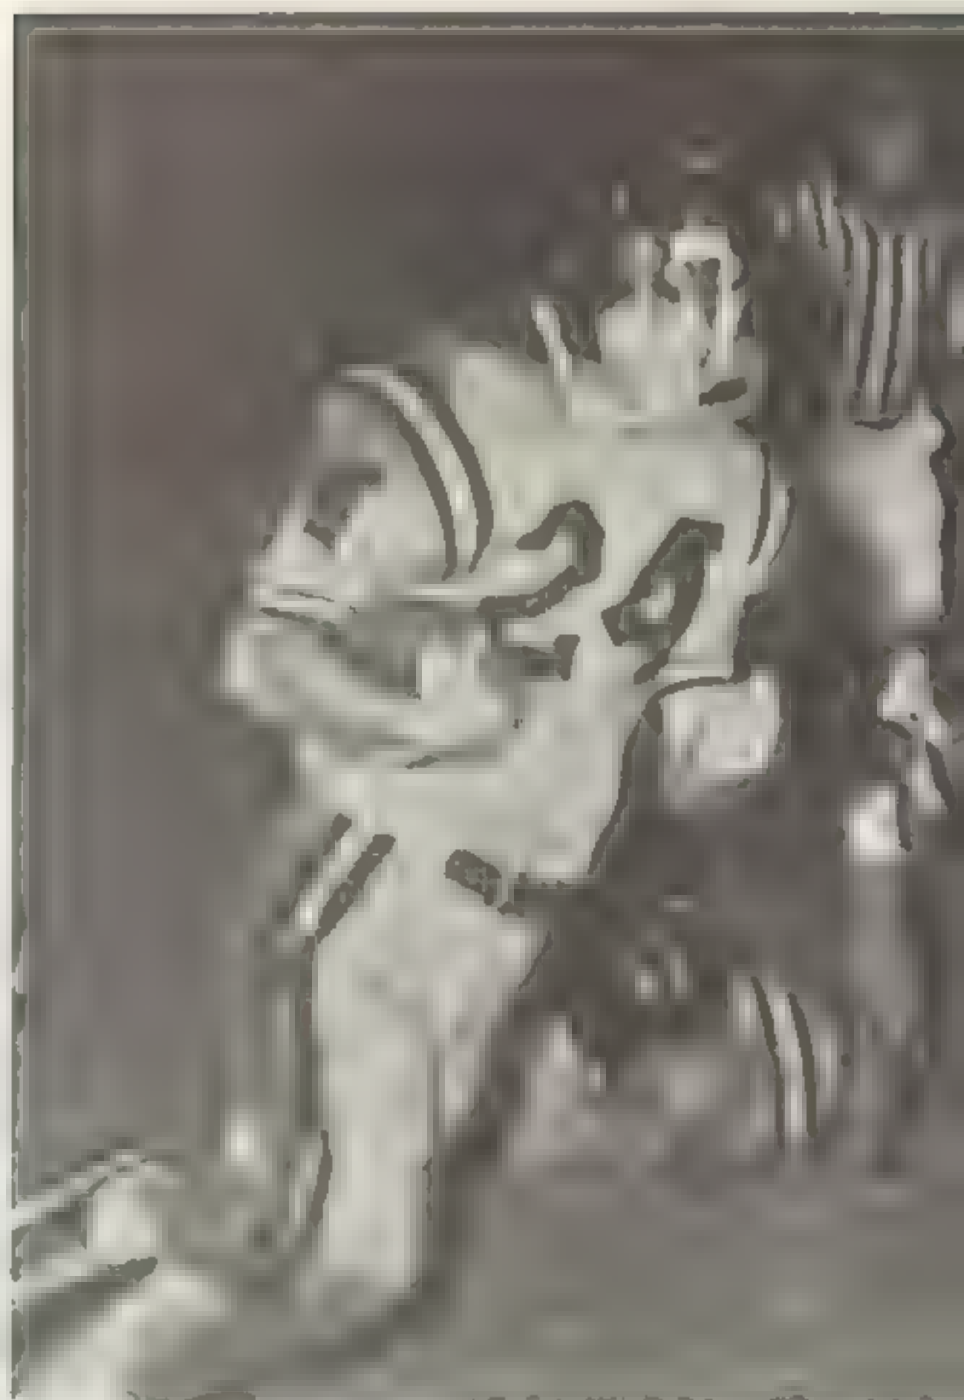

Once again the **Tigers** came out on top in the Twin-City grudge rivalry that dates back to the 1940's. Ouachita hasn't beaten a Neville team since 1949, but the **Lions** were determined to take this one. However, the **Bengals** came up with two clutch plays which spelled disaster for the **Lions**, and state playoffs for the **Tigers**. Late in the third period halfback **Britt Risinger** scampered 21 yards for the game's only score on a fourth-and-seven situation. **Surratt** skirted right end for the two-point conversion and then turned the job of preserving the **Tigers'** Flimsy lead over to the **Bengal** defense. The **Lions** did come knocking, but thanks to the endless untiring efforts of the dauntless **Tiger** defense, Neville moved into the playoffs.

Tigers Charge Into Quarterfinals; 26-14

Showing a fantastic ball control game, the Tigers blasted a much bigger Byrd Yellow Jacket team 26-14 to carve out a bi-district playoff victory. Scoring the first three times the Tigers touched the ball, Neville jumped out to a 20-0 lead. Left halfback Mike Harvey picked up the Bengals' first score on a 6-yard run early in the first period. The Tigers picked up two second quarter scores on a Dennis Surratt 8-yard strike to right halfback Larry Wallace and a 1-yard touchdown plunge by fullback Jerry Tucker. Wallace scored again in the third quarter on a 10-yard jaunt. Byrd was a come-from-behind football team all year, but they had not met the proud Neville defense. The Tigers held the Yellow Jackets to only two scores to hand Neville the victory

Fullback Jerry Tucker pounds out more yardage against Byrd in the state playoffs.

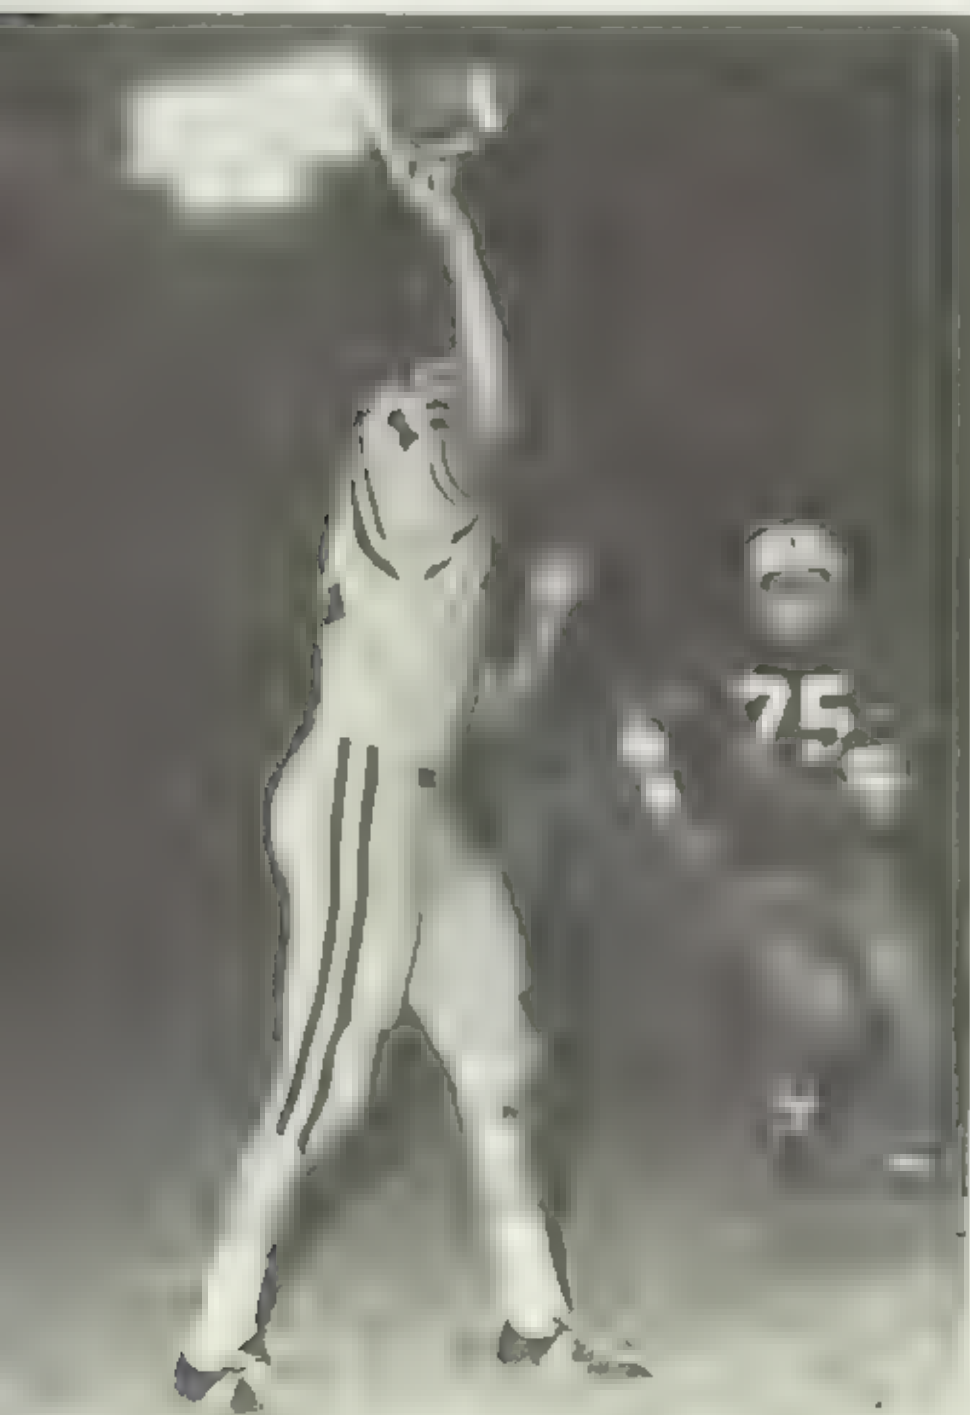

Speedy halfback Bruce Hanks looks for clear sailing against Byrd.

Senior halfback Larry Wallace plunges up the middle only to be met by a host of Yellow Jackets. The protecting Jackets seem to be stunned

The quarterback calls the plays and throws the passes, but without a strong offensive line as Neville has, the Tiger team would be nothing.

Wally McMakin hits Gary Marx on a seldom-used usual pass play in which the halfback receives a lateral from the quarterback and then throws the ball to receiver. This play won the game for Neville.

Tiger captains for the quarterfinal game against Tara's Trojans are senior quarterback Wally McMakin and junior end Brad Wimberly.

Tigers Squeeze Win Over Trojans 22—15

After gaining a fourteen point lead the Tigers had to come back from behind to defeat the Tara Trojans 22-15 in a quarter final game of the Louisiana AAAA football playoffs. The Tigers shocked the highly favored Trojans early on touchdown runs by fullback Jerry Tucker of 19 yards and quarterback Dennis Surratt of 18 stripes. Tara, using the wishbone-T, started overpowering the much smaller Tigers and with only 2:52 left in the game, the Trojans held a 15-14 lead with Neville in possession at their own 20. The Tigers came through though as Wally McMakin hit senior end Gary Marx on two passes moving the ball to Tara's 19-yard line. Dennis Surratt then picked up 10 yards on a broken play and Jerry Tucker gained the remaining nine on three plunges giving Neville a hard fought victory.

Neville Falls Inches Short; 7-6

Neville fell short of a chance to play in the state championship game as they lost to Brother Martin 7-6. Through 42 minutes of play, it looked as if the winner of the semi-final match would be decided on firstdowns as neither team was able to score. The Crusaders scored with 5:12 left on the clock and it was time for the Tigers to try to come up with another from-behind effort. Their first attempt was stopped on a lost fumble, but three plays later the Crusaders were forced to punt. From the Tiger twenty quarterback Dennis Surratt called his own number and picked up 36 yards. Surratt then hit half-back Britt Risinger for 8 yards and end Les Loper on a 36-yard touchdown strike. This set the stage for an extra-point try that meant the game. Surratt rolled left on a quick pass, but found his receivers covered and was forced to run. It looked like clear sailing to the flag, but out of thin air three Crusaders appeared and stopped Neville's championship hope 18 inches from the goal line.

Les Loper; Most Valuable Tiger Player

Junior End Les Loper was named **Most Valuable Player** at the annual awards banquet held in the cafeteria. Two other juniors Dennis Surratt, quarterback, and Pat Scallan, linebacker, were named the **Outstanding Offensive and Defensive Performers**, respectively.

Others receiving awards on the Neville State Semifinalist Football Team were: Ricky Chambliss, **Manager's Award**; Bruce Hankins, **Best Offensive Lineman**; Bruce Hanks, **Best Defensive Back**; Britt Risinger, **Most Improved Back**; Larry Wallace, **Offensive Coaches Award**; Bill Touchstone, **Defensive Coaches' Award**; George Dixon, **Most Improved Lineman**; Gary Gentry, **Best Defensive Lineman**; Wally McMakin, **Scholastic Award**; Jerry Tucker, **Best Offensive Back**; and Brad Wimberly, **Best Defensive Lineman**.

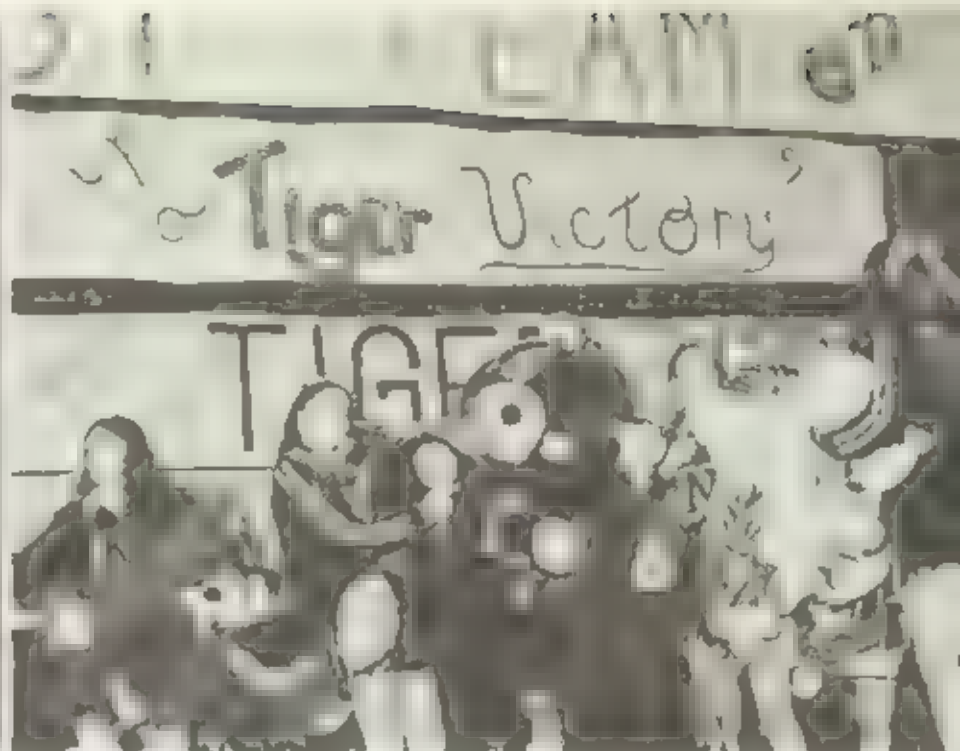

Dennis Surratt, who completed 66 of 113 passes and rushed for 818 yards, Les Loper, who did double duty for the Tigers, and Pat Scallan, who led the team in fumble recoveries, pass interceptions, tackles and blocked punts; are pictured with their trophies.

The other award winners were **FRONT** Ricky Chambliss, Bruce Hankins, Bruce Hanks, Britt Risinger, Larry Wallace; **BACK** George Dixon, Gary Gentry, Wally McMakin, Jerry Tucker, Bill Touchstone, and Brad Wimberly.

1972 Tiger Cheerleaders; by Far the Best

What do you say about six girls who, for one year, devoted their whole lives to the advancement of their school, its enveloping spirit, its strong athletic teams, its wise teachers, and its devoted student body? Pam Breckinridge, Anita Bonin, Brenda Hamilton, Betty Heuer, Debbie Kalil, and Cindy Williams have unceasingly given of their time and energies to push Neville into giving its all and a little more this year. These cheerleaders did not start with a summer camp; they began back in the spring of 1971 after being elected. Practice, signmaking, summer camp and competition, teaching the **Tigerettes**, creating new skits for assem-

blies, and more practice. School year 71-72, the test which these six passed with flying colors. No other cheerleaders could hold a light to the **Tiger cheerleaders** this year. Without fail, something new each week was found to arouse the overwhelming spirit of the **Neville Tigers**. Besides supporting the athletic teams, the cheerleaders showed their appreciation to the teachers by sending them cards and flowers to brighten their day. In everything they did, the cheerleaders strengthened the reputation and the future of **Neville High School**. Thank-you Pam, Anita, Brenda, Betty, Debbie, and Cindy. We could not have done it without you!

Miss Cindy Snead Reigns Over Homecoming 1971

Homecoming 1971 was the usual exciting festive affair at Neville. The excitement, as always, began the weekend before when everyone found a great excuse not to do homework; that is, working on the floats. The fervor built to a peak on homecoming day with the presentation of the court, football assembly, early dismissal from school, parade, float competition, and, finally, the big game.

This year's court, which was elected by the foot-

ball team, consisted of Miss Cindy Snead, queen; Miss Carol Deney, maid-of-honor; Miss Pam Breckenridge, maid; and Miss Debbie Kalil, maid.

The freshmen won the float competition with their prize-winning theme of "Trick the Trojans."

That night the Tiger football team fulfilled the success of the happy event by trouncing the Alexandria Senior High Trojans 30-0.

Queen Cindy Snead is pictured at the Civic Center before the parade.

At the game that night, Cindy and the other court members were presented to the visitors, alumni, and Tigers.

Building the Tiger Varsity Basketball Team are FRONT Paul Farr, David Sailey, Wally McMakin, Arthur Manyweather, Jan Beaver, Bob Brown, Blake McDougall, BACK Dixon Abell, Reagan W. Kerson, John Ledbetter, Donovan Davis, Mike Nelson, Robby Marx, and Overdale Watson

Basketball is even more tense and exciting than football because of the closeness and number of the crowd. The pressure is on, even before the game, and especially during play as shown on the faces of Donovan Davis, Mike Nelson, and a rival Lion player Mark Reed.

Tiger Cagers

For the 1971-72 Neville Varsity Basketball Team it was not the best of years. The cagers got off to a slow start and never picked up enough momentum to gain a winning streak. The **Tigers won 53%, winning ten out of nineteen regular season starts.** A jewel in the team's crown is the fact that they **beat the Bastrop Rams** which has not been done by a Neville team in quite a while.

Another bright spot about this year's basketball team was the tremendous support it received by **Tiger fans.** Reasons for this were the many new assemblies held in the mornings before the games.

Neville entered four tournaments, the **Bastrop, Neville, News-Star World, and Jena** tournaments, but placed in none. Not Bastrop, but **Ruston** was this year's **Tiger downfall**, as it was the whole district's.

Being a pro takes long hours of practice.

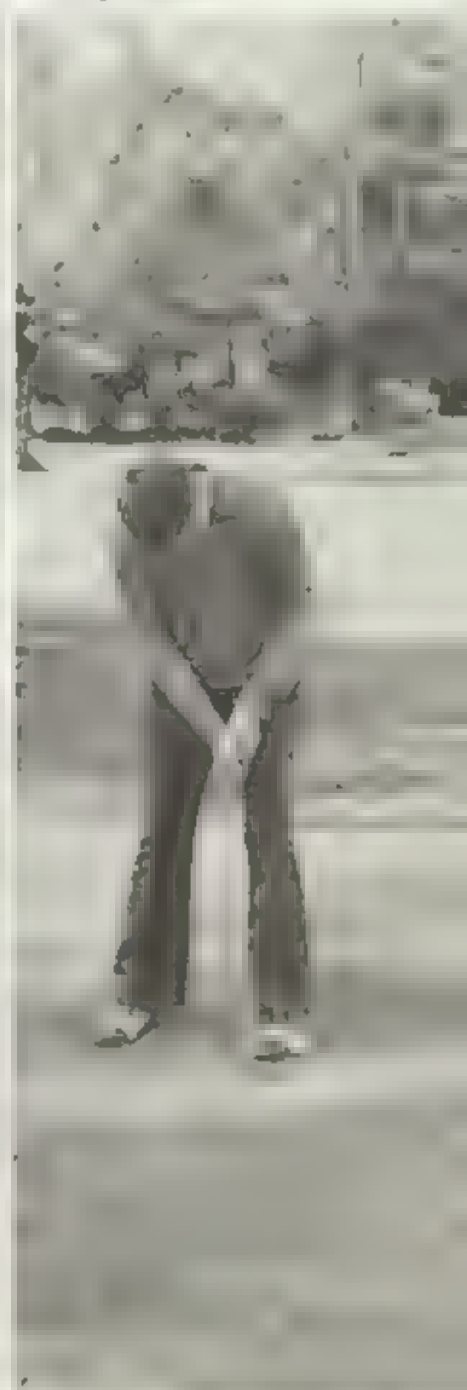

A sure sign of spring is the Tiger golf team monopolizing Munny.

1971 was a very good year for the Neville Golf Team. The golfers played eight matches, four of which were at home, and won seven. The Tigers' only loss was to Springhill High at Springhill. Paul Farr, Doug Brown, John Bernhardt, and Ned Goyne traveled to the State Golf Tournament, April 29th and 30th in Baton Rouge. The Tigers came in fifth in a field of seventeen. Paul Farr, the only Neville participant to place, came in fourth in the state.

Keith Merriman inquires of Ned Goyne, "Why can't I do that?"

Best Tennis Team Record; 14-3

Girl netters for the Tigers are: FRONT: Ann Shelton, Linda Ditta, Jane Polk; BACK: Carrie McKenzie, Kay Scott, Susan Sartor, and Sara McSherry.

The 1971 Tiger Tennis Team rolled to their best team record in Neville's history, winning fourteen out of seventeen matches.

In individual records Richard John, a 1972 Senior, tied the best singles record ever, winning nine and dropping only three to his opponents.

The Regional Tournament, which was held at Ruston, was literally wiped out by the Neville Netters. Ann Shelton won the Girls' Singles, Carrie McKenzie and Sara McSherry Girls' Doubles, Mike Ryan and Jane Polk, Mixed Doubles. A win at Regional entitled the players to go to the State Tournament, held in Shreveport. Mike Ryan and Jane Polk battled to the state semifinals.

Boys on the tennis team are FRONT Jeff Courtman, David Hastings, Ned Courtman, BACK Edwin Regan, Mike Ryan, David Hilley, John Walker, and Richard John.

Senior Richard John practices constantly.

Tigers Enter Five Regional Events

1971 was not one of the best years for the Neville Track Team. The Tigers went to eight meets, counting the District at Ouachita and the Regional at Woodlawn in Shreveport, and came out fifth place or above in six. The Tigers came in fourth at the first meet of the season in Bastrop, fifth at the Neville Relays, fourth at the Rebel Relays in West Monroe, first in a dual meet with the Bastrop Rams, fourth in the Ruston Relays, and ninth in the Ouachita Relays.

In order to qualify for state, cinder men had to place first, second, or third in the District 2-AAAA

Meet held at Ouachita Parish High School. Neville track men came in fourth place at the district meet.

Those who qualified for the Regional Meet in Shreveport were: James LeBlanc, pole vault; Bruce Hanks, Deraryll Biggs, Moreece Tucker, Erwin Hester in the 880 yard relay; Erwin Hester in the 100 yard dash and 220 yard dash; and Deraryll Biggs, Phillip Givens, John Ledbetter, and Bernard Keaton, mile relay. Erwin Hester placed second in the 100 yard dash and went to state.

Members of the 1971 Neville Track Team are: FIRST ROW: Dale West, Bob Brown, Bruce Hanks, John Davis, Deraryll Biggs, Erwin Hester, Mike Burkett, David Mininger, Moreece Tucker, Scotty Herron. SECOND ROW: James LeBlanc, Van Leagn, Rob Harris, Gary Marx, Mike Turner, John Ledbetter, Bob Marks, Phillip Givens, Tom Whately, Mark Battistone. THIRD ROW: Earl Shiggins, Percy Keaton, Tommy Aitken, Gary Estes, Junot Dixon, Bernard Keaton, and Frederick Brooks.

Carrying the baton in the mile relay were Bernard Keaton, Frederick Brooks, Gary Marx, and John Ledbetter.

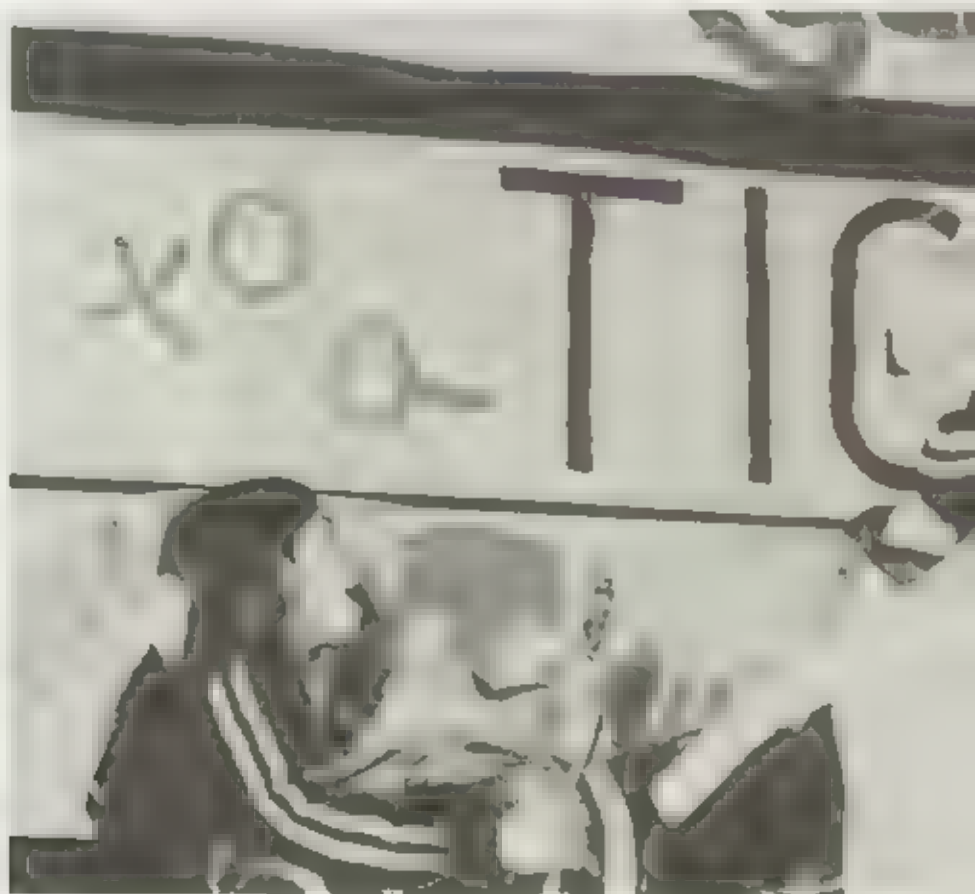

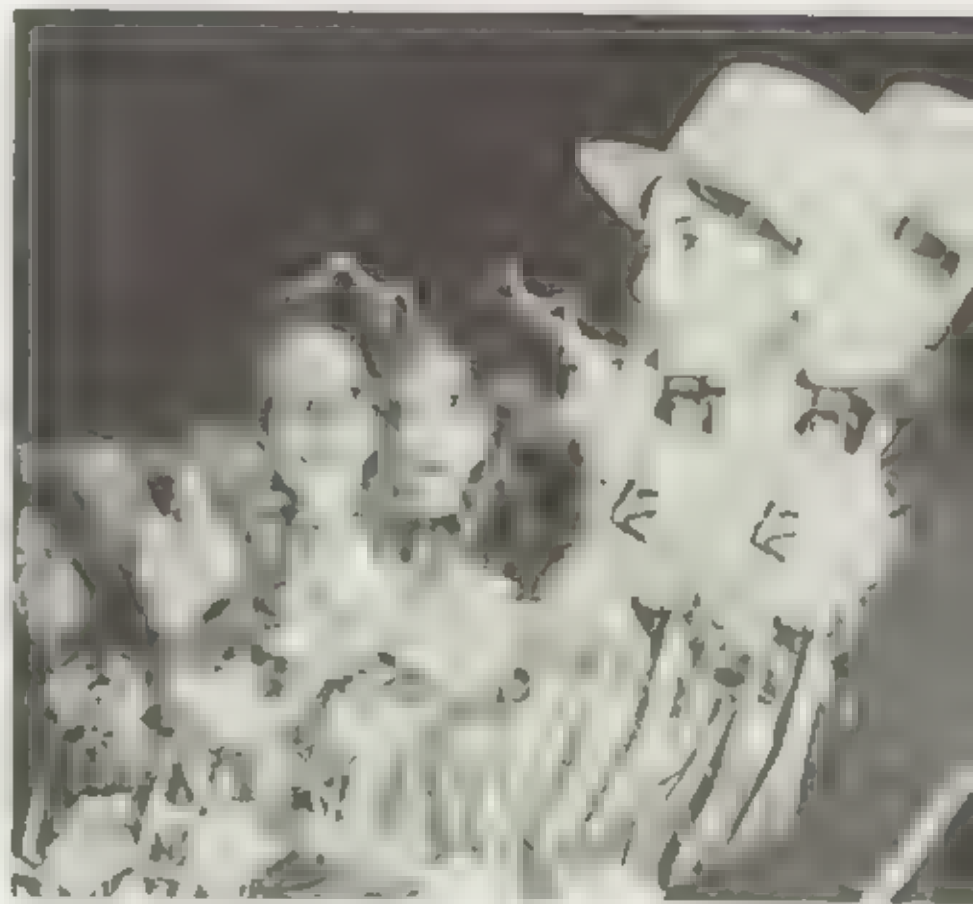

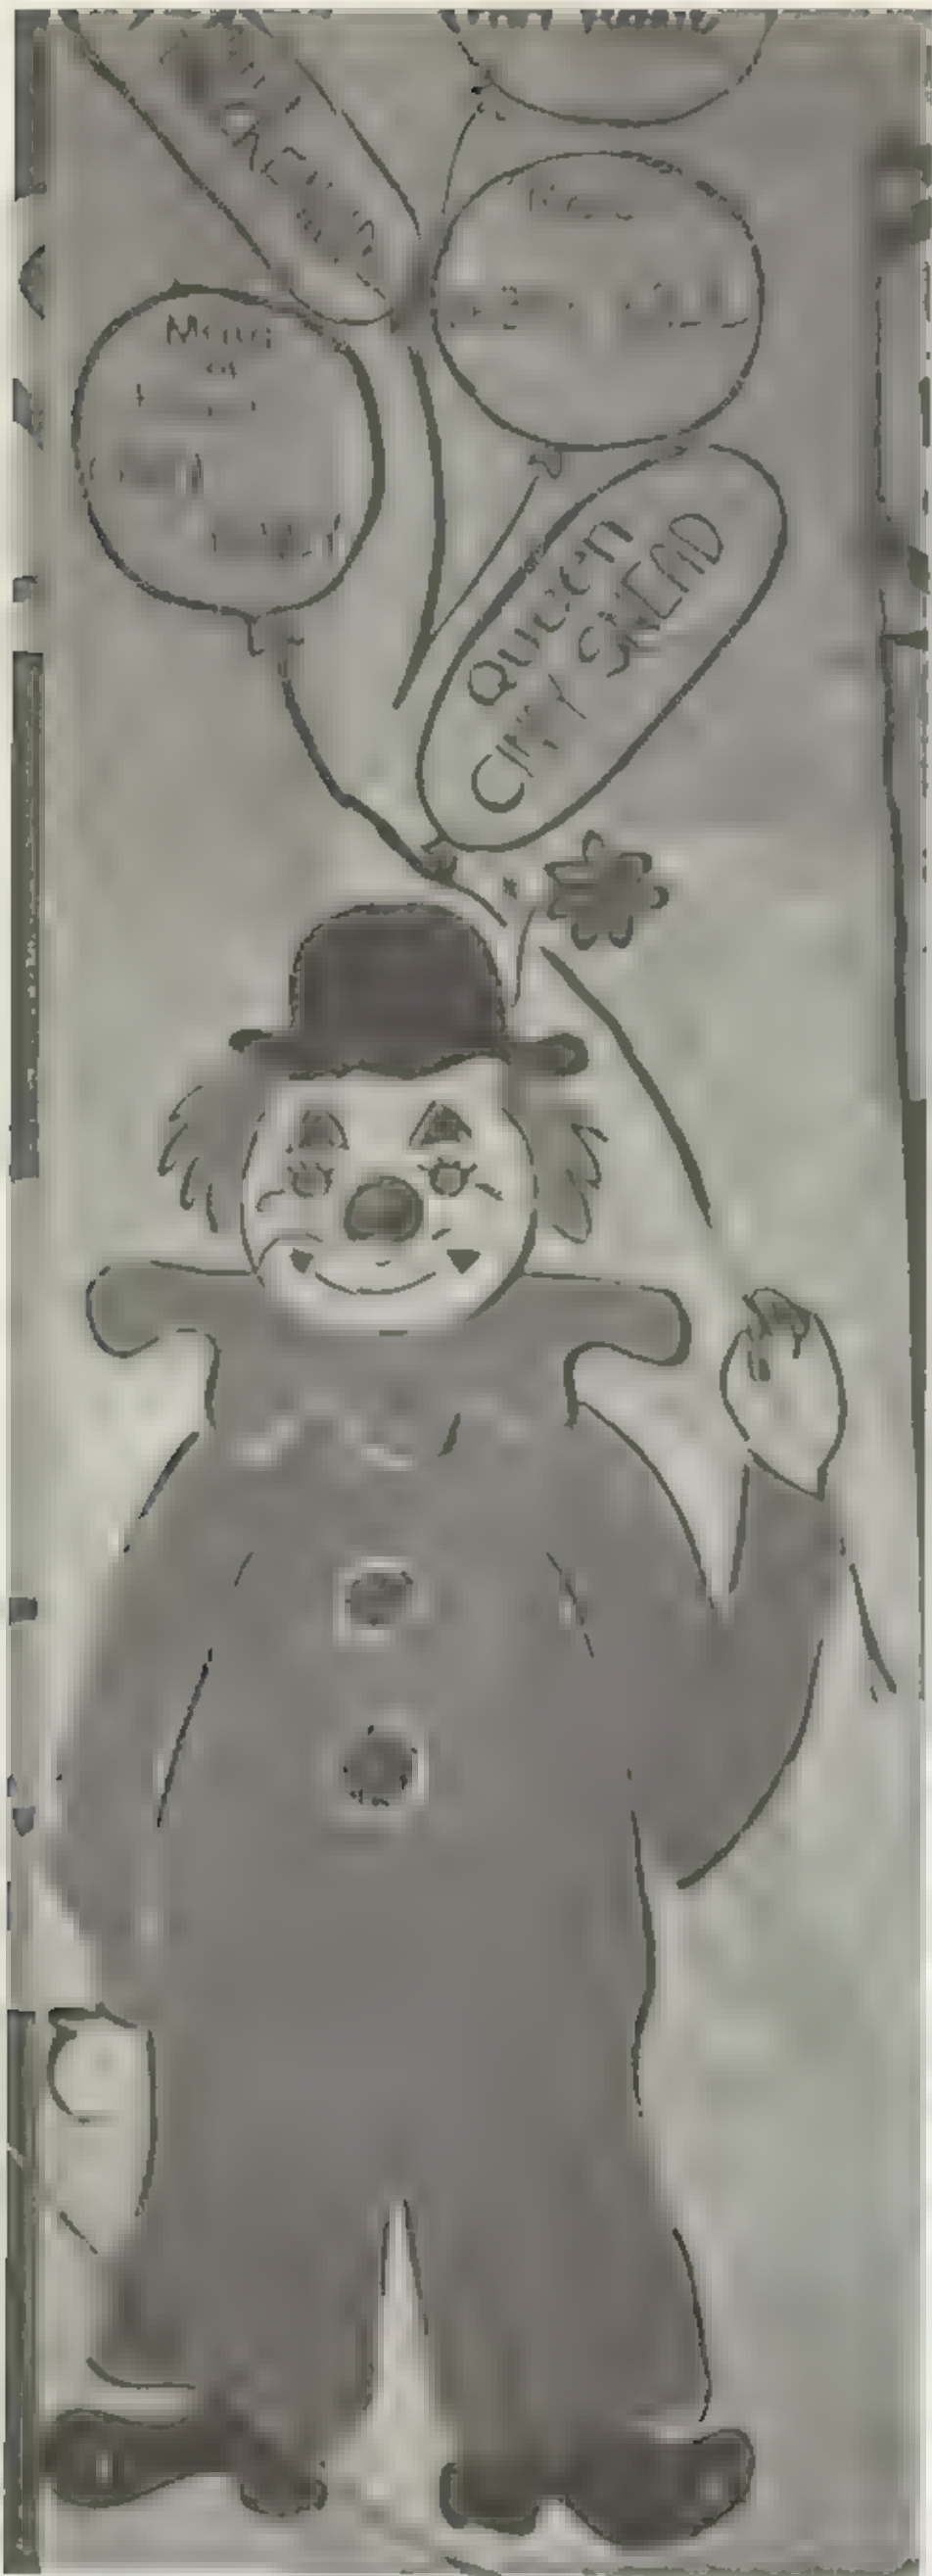

Bruce Hanks was the number one baton carrier in the 880 relay.

Gary Estes threw the javelin for the Tigers in the Neville Relays.

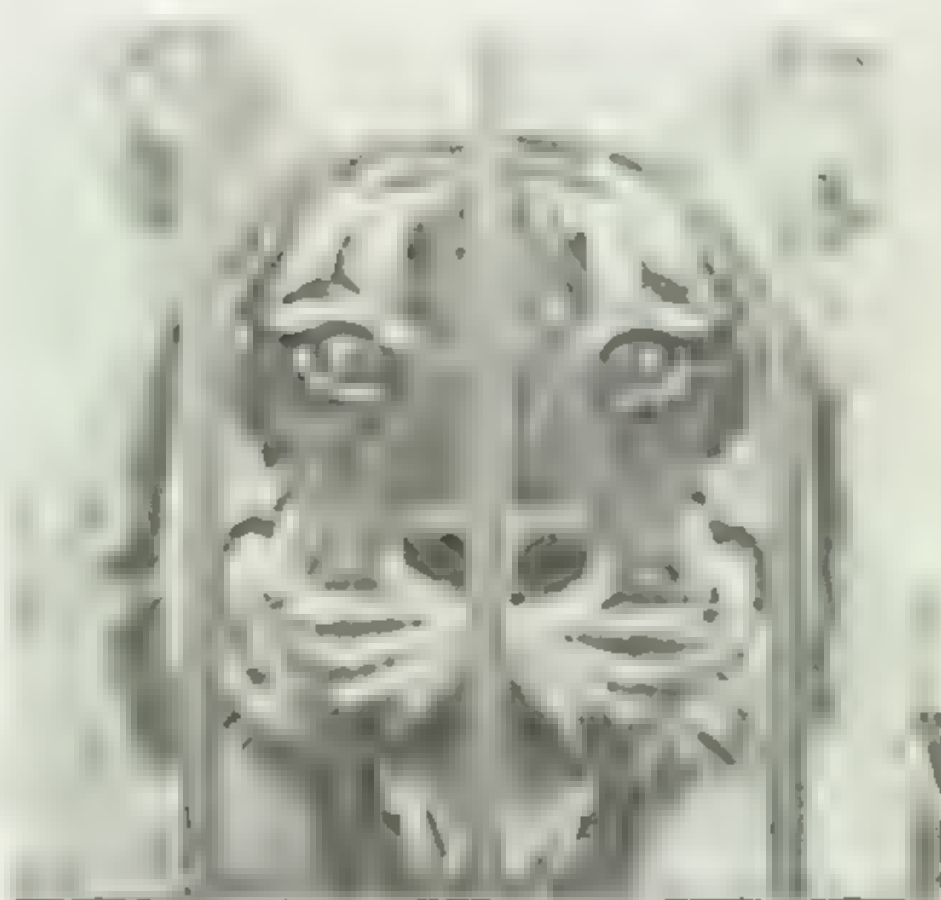

Erwin Hester finished first in the 100 yard dash in the Neville Relays.

We Find a Place Where
There's Room to Grow

An open field
An empty corner.
We continue to grow
To fit our place in the
future.

And Yes We've Just Begun

Beginnings:
Ventures into the unknown
Challenges to the mind
Test of perseverance.
